

Vote In-Person on Election Day

Least safe way to vote in 2020

1. Polls open at 6:00 AM and close at 7:00 PM.
2. Go to your assigned voting precinct, and **please wear a mask.**
3. You may find your precinct [here](#), or you may contact the Office of Elections at 540-772-7500.*
4. Bring [appropriate Identification](#).
5. Polls close at 7:00 PM but as long as you are in line by 7:00 PM, you will be permitted to vote.

*Wait until just before Election Day to check your voting location as many County precincts are located in private buildings and the public may be denied access during the pandemic; some precinct adjustments may need to be made for the 2020 Election.
